W. E. Arnold offered the following resolution on the Vanderbilt controversy, which was adopted:

Whereas, the suit brought by our Bishops to determine the ownership and right of control of Vanderbilt University was decided in favor of the church by the Chancery Court, of Nashville, Tenn., but was appealed to the Supreme Court of that State; and,

Whereas, pending this appeal, the Chancellor of the University, acting for the Executive Committee of the Board of Trust, solicited from Mr. Andrew Carnegie the gift of a million dollars for the benefit of the Medical Department of said Vanderbilt University, suggesting to him that "the Trustees of the University shall select or appoint for the management of the medical school a Governing Board of seven members," some of whom shall, and all of whom may, be entirely outside the Board of Trust, thus accomplishing for this department of the University by indirection what they have as yet failed to accomplish directly through the Courts; and,

Whereas, Mr. Carnegie, after expressing emphatic disapproval of denominational control of such institutions of learning, made a tender of one million dollars to the Medical Department of Vanderbilt University but upon conditions which the church can not accept without relinquishing her whole contention as set out in the Vanderbilt case; and,

Whereas, notwithstanding these conditions which are so unfriendly to the interests of the church, the majority of the Board of Trust accepted the gift of Mr. Carnegie; and,

Whereas, a minority of the Board of Trust protested against the acceptance of the gift upon the conditions imposed, and the Bishops, acting in their capacity of a Board of Visitors, vetoed the action of the majority Board of Trust; therefore,

Resolved, That we, the members of the Kentucky Conference of the M. E. Church, South, in Annual Conference assembled, do heartily approve the action of the minority Board of Trust in protesting against the acceptance of the gift with the conditions attached; and, further, that we commend, and do most heartily approve the course of our Bishops in vetoing the acceptance of said gift under such conditions.

Resolved, 2, That we have noted with pain the course of Chancellor Kirkland in this whole controversy, and that we can not feel that he has been loyal to the interests of the church, and that on account of this disloyalty his usefulness as Chancellor of the University is at an end.

(See Supplement.) The same committee made the following report on the Resolution of E. L. Southgate:

"We do not recommend to memorialize the General Conference to lay a larger assessment upon the Conferences for the Superannuate Endowment Fund, but request the Secretary to notify the Trustees of this Fund that the Kentucky Conference favors a larger assessment upon the Conferences for this important and worthy Fund, to be made upon the same plan as has been used to secure the present assessment.

The Board of Missions submitted their report which was adopted. See Supplement. Committees on District Conference Records, Books and Periodicals, Parsonage Furnishing, Sabbath Observance, and Temperance made their reports and their reports were adopted. See Supplement.

The Committee on Resolutions and Memorials made a report in which they recommend that the request of H. C. Morrison and others asking the Conference to memorialize the General Conference to grant the rights of laity to women, be not granted, and their report was adopted. They also reported adversely on the request of J. W. Hughes and A. Redd that we memorialize the General Conference to change the opening paragraph in the Ritual for the Baptism of Infants so that it will read as it did prior to the revision of the Ritual in 1910. Report adopted.

The following resolution was unanimously adopted: "Resolved, by the members of the Kentucky Conference that Bishop Hendrix be requested to put his splendid lectures on "Men of Vision" in permanent form, and, at such time as he may see fit, to publish them that they may edify and bless others as they have edified and blessed us.

W. E. ARNOLD,
JOHN R. DEERING,
E. L. SOUTHGATE,
J. B. HARRIS."

E. G. B. Mann and others offered the following which was adopted:

"Whereas, President J. L. Clark stated so earnestly before the conference that he believed it was absolutely necessary for the harmony and success of Kentucky Wesleyan College that the President and Faculty be given some discretion regarding athletics; and,

Whereas, the Board of Education has since had a called meeting and come to a thorough understanding with President Clark that nothing in the way of athletics shall be allowed in the name of the College, or in connection therewith, to bring reproach on that institution or the church, and that the Board of Education has decided to turn the question of athletics over to the control of the President and Faculty, therefore,

Resolved, that the conference approves the action of the Board, and expresses its confidence in the President and Faculty in the management of the matter, and that we as a body, join President Clark heartily in his wish and prayer for a religious revival in the College this year.

The Committee to draft a plan for a Conference-wide evangelistic campaign made its report as follows and the report was adopted:

"We, your committee to draft a plan for a Conference-wide Evangelistic Campaign, are deeply conscious of the need of such an enterprise, and also of our utter inability to carry it on unless God directs the forces that engage in it, and unless there is concerted action on the part of all our ministry.

We are unable in the brief time between our selection and the adjournment of conference to intelligently decide on a plan and leaders to carry it out. A full meeting of the Committee will be held at an early date for that purpose. In the meantime, however, we respectfully submit the following:

Resolved, That the need of a revival in Kentucky Conference be clearly set before the people in each charge, by sermon or announcement, and the membership be called to prayer that God will prepare the church for this great work.

Second, That all pastors stand ready to help a brother whenever possible in revival meetings and by exhortations and personal work in their own pastorates, strive to save some lost soul every week this year.

Third, That the Committee be given the benefit of any suggestion which the Holy Spirit gives to any one as to the best methods of carrying this revival on, and that the Conference remember the Committee in prayer while they try to plan for this great and important an undertaking.

Finally, that we strive to be of one accord, and seek to promote a holy unity among our people, and establish an "esprit de corps" that will join us all in a common cause with one great purpose to kindle again the revival fires all over our territory.

Signed, J. B. Harris, J. P. STROTHER,
E. K. PIKE, W. A. SWIFT,
J. R. SAVAGE, M. S. CLARK,
C. H. GREER, Committee."

The following was adopted by a unanimous rising vote:

"Whereas, Dr. W. F. Taylor and Dr. John R. Deering have finished at this session of our Conference fifty fruitful years of faithful and efficient service

as members of this body; Resolved, that we hereby express to them: First, our love and reverence as fellow ministers and brethren in Christ. Second, our appreciation of the large contribution they made to the history of Methodism in Kentucky Conference by their eminent abilities, faithful services, and characters above reproach.

Signed, J. P. STROTHER, B. C. HORTON,
C. H. GREER, C. F. ONEY."
F. T. McINTIRE,

Conference business was here suspended until a session of the Legal Conference could be held. Resuming its work, the following resolution was presented:

"Whereas, the Discipline makes it the duty of our Bishops to arrange a Course of Study for candidates for the ministry, and

Whereas, in carrying out this disciplinary requirement, the Bishops have placed in the Course of the First Year the book, 'Personal Salvation' by Rev. W. F. Tillet, D. D.,

Resolved, That while recognizing the merits of the book and appreciating the excellencies of many parts of it, it is the sense of this Conference that it is both unwise and unfortunate to place in the hands of our young ministers, and make its study obligatory, a book which takes direct issue with our great leader, Mr. Wesley, and endeavors to discount him as a theologian and expositor of the Scriptures and in places attempts to ridicule his teachings concerning Christian Perfection.

Resolved, That we respectfully request the Bishops to leave said book out of the course.

AMERICAN BIBLE SOCIETY.

Although the Conference, by vote, decided last year that no assessment was, in the future, to be made for the American Bible Society, yet the law of the church requires that the pastors should take annually a collection in each church for this Society. If this law be faithfully observed the Society will not suffer by the change. The printed law of the church should be just as strictly obeyed as a mandate of an Annual Conference. Hence your Board urges upon every pastor to take a collection in each church this fall.

This is important because of the great value the work of the American Bible Society is to the church, and also because that from every mission field of the world the demand for Bibles is increasing. Because the Society cannot meet this demand for lack of funds, the missionaries are greatly hindered in their work of evangelizing the world. Therefore the Conference should not collect less, but more, for the Society.

The proceeds from Mrs. Russell Sage's \$500,000 gift lacks much

of paying the \$800,000 annual running expenses of the Society. The Society's whole endowment fund of about \$2,500,000 produces only one-seventh of its annual running expenses. The other six-sevenths, or about \$685,000 must come from sales, legacies and church collections. The Society needs at least \$250,000 annually from these church collections. Since there are hundreds of millions of heathen who have not yet heard that there is a gospel, and since we are failing to contribute our share, would it not be doing wrong for us to relax in our endeavor to help? Since the Society furnishes missionaries of many denominations with the Bible, their chief implement of success in winning souls to Christ, we should not.

SUNDAY SCHOOL BOARD.

This has been the busiest, as well as the most fruitful, of the three years this Board has endeavored to serve you. There has been progress in the work, and our schools are awakening to their opportunities. As yet only a few approximate the standard of efficiency; none reach it, but a large number are working toward it. This awakening is due to the visions and ideals gathered at the District Institutes held during the year. In these we have had the hearty co-operation of our preachers and people.

We wish to express our thanks to the contributing schools for an increase of thirty per cent. in Children's Day collections. More schools observed the day than in any previous year. As a result of this increase we shall be able to do more for you this year than at any time heretofore.

We are grateful for co-operation given and trust that during the coming year all our preachers and people will join in making our Sunday Schools larger, better and more numerous. We must go forward. The Standard of Efficiency has been slightly altered during the year but we are now assured that it will be unchanged for some time. We adopt it as our Standard of Efficiency and urge that all our schools be brought up to it as rapidly as possible. To some it will appear unobtainable, but all such are urged to add such points as are possible now and others as they are able. The Standard has ten points, as follows:

1. Cradle Roll, 10 per cent.
2. Home Department, 10 per cent.
3. Wesley Bible Classes, 10 per cent.
4. Teacher-Training Class or Students, 10 per cent.
5. Our Church Helps, Graded or Uniform, with Graded Organization, 10 per cent.
6. Missionary Instruction with Offering, 10 per cent.
7. Temperance Instruction, 10 per cent.
8. Definite Decision for Christ Urged, 10 per cent.

9. Annual Observance of Children's Day with Offering as Required by Our Discipline, 10 per cent.

10. Worker's Conference Regularly Held and Session of School Every Sunday, 10 per cent.

The literature put out by our editors maintains its high standard of excellence and is commended to our people as the very best to be had. The report of Dr. Chappell shows an increase in every publication except the "Primary Teacher," which shows a small decrease. The "Adult Student" shows an increase of 15,000, and the Wesley Bible Classes are rapidly increasing. The Department of Teacher-Training has grown steadily, but our Conference has shared far too little of this benefit. We need to give more earnest heed to this work.

We still lack \$11,900 of completing the fund for the Chair of Religious Pedagogy. An earnest effort is being made to complete this fund this year so that the coming General Conference can give us more workers in the field. The Board of Church Extension is raising a Birth-day Loan Fund to be loaned only to those churches providing Sunday School departments. A Birth-day jar and literature will be furnished free to all who wish them. Our conference has in use only twenty jars from which \$36.46 were collected. This is a most worthy fund and is commended to your attention.

We are grateful for the visit and splendid address of Dr. C. D. Bulla, Superintendent of the Wesley Bible Class Department.

We call attention to the State Convention of the Kentucky Sunday School Association, at Louisville, October 7-10. This is an important convention for our people and much will be gained by attendance.

Your Board are at your service for whatever aid they can give in this great work.

C. H. GREER, Chairman.

G. D. PRENTISS, Secretary.

EPWORTH LEAGUE BOARD.

Your Epworth League Board begs to submit the following report:

What the springtime is to the year; the blossom to the fruit; the morning to the day; that youth is to life, only of far greater importance and consequence because it is the formative period when character is made or marred, the seedtime of a high and holy career, "and in the morn and liquid dew of youth, contagious blastments are most imminent." Too much attention and care are not likely to be given to this critical period of life. We rejoice in every world-wide movement in behalf of childhood and youth, and in all institutions and agencies that exert a fostering influence upon the young.

The Epworth League deserves our hearty approval and co-operation. Its conception is admirable, its scope extensive, its object Christ-like, and its usefulness has been large. Christian character has been developed, workers have been trained, life's purposes have

been formed and youths consecrated to enlarged service in the Kingdom of God.

The ten thousand dollars contributed last year for the Cuba special making "Candler College" possible and the special gifts of the leagues for Foreign Missions amounting to thirty-one thousand dollars, are also causes for gratification.

We have carefully read and considered all communications and rejoice in all reported success, and seek improvement at all other points. Therefore, be it resolved,

1st. That we co-operate cheerfully and heartily with our connectional and Conference officers to promote the great work and to realize its possibilities more fully.

2nd. That we urge the pastors to see that the leagues that did not pledge at Nicholasville to the Conference work, occasioning thereby a deficit of about twenty-two dollars in meeting next year's budget expense, give the earliest possible attention to this.

3rd. That we greatly appreciate the labors and successes of our very faithful League Conference officers and we are gratified at the success of the Epworth League Conference held at Nicholasville this summer.

4th. That we do our best to have at least one representative from each church attend the Annual Epworth League Conference next year at Paris, Ky.

5th. That according to previous arrangements to alternate with the Sunday School Board, we fix Wednesday night of the next Annual Conference as Epworth League Anniversary.

6th. That because of pressing needs every chapter give diligence to pay the amount set apart in the budget for general expenses for 1914, as soon after January the first as possible, according to the request of the Central Office.

G. W. CRUTCHFIELD, Chairman.

E. K. ARNOLD, Secretary.

M. J. JONES, Secretary and Treasurer,
New Castle, Kentucky.

BOARD OF MISSIONS.

We desire, first of all, to acknowledge God's blessings upon His work committed to us as the servants of His church, resulting in a growing interest in missionary work at home and encouraging progress abroad during the past year. And that, notwithstanding the many hindrances, specially in Mexico and Korea, the missionaries have held on their way and a substantial gain in membership is reported. Dr. W. W. Pinson, our general secretary, reports to the Conference Board of Missions progress and enlarging opportunities of our work which call loudly for an increase in the force of missionaries, and the urgent need for better equipment. Recognizing the great need of buildings and equipment, the Board at its meeting in Dallas

authorized our missionary secretaries to raise \$250,000, for that purpose.

Dr. Moore reported his work briefly to our Board at its last meeting. His report was very encouraging and indicated the possibility in a very short time of raising the \$250,000. We are always glad to have Dr. Moore with us and thank him for advice and encouragement.

It is with pleasure we call attention to the second General Missionary Conference which was held at Lake Junaluska, June 25-29. The results of this great meeting clearly prove that the church is ready for larger things, and that our Laymen are ready in this, "the day of His power."

We rejoice to be able to report our work in the Kentucky Conference in better condition than it has ever been in its history, and the outlook for Methodism in our missionary territory is very bright. There is quite an increase over last year in payments on our assessments for missions, and we believe that by a concerted effort we can pay every dollar of our assessment for the ensuing year. We nominate Rev. J. B. Harris for Conference Missionary Secretary.

BOARD OF CHURCH EXTENSION.

We have just held the thirty-second annual session of our Conference Board of Church Extension.

Interest in this line of the work of the church grows at a gratifying rate, as is shown by the increase of our contribution. This year our conference has paid on the assessment for Church Extension \$3,792.97 as compared with \$3,240.73, or an increase of more than 16 per cent. over last year. The urgency of the need, however, more than justifies this increase of contribution. The proper housing of our people is of importance next to their conversion. One of our Bishops recently returned from our mission fields says we lose half our converts abroad for lack of proper housing. For **permanent results** then in establishing our Lord's kingdom let us build more and better churches.

Appreciation of the work of this Board is shown by the overwhelming demands made upon it. Eight churches and six parsonages apply to us for aid at this session. Their requests aggregate \$5,295.00, which was more than three times the amount available for appropriation. Every application was carefully considered; and we wish to assure every disappointed church and pastor that our inability to grant them the help asked for gave us pain as truly as to them. We did not give aid to the most urgent in every case, but **we did give aid** to those among the many, that, in our sober judgment, were most needy and where the giving would do the most in establishing the church.

We call attention of our pastors again to the Church Extension Handbook prepared by the Secretary of our General Board. It may be had for the asking from the office of the General Board in Louisville. It is profusely illustrated, very interesting and thoroughly informing on every phase of the work of Church Extension. Get it.

We take great pleasure in calling attention of the Conference to the fact that under the indefatigable efforts of our General Secretary, Dr. W. F. McMurry, the aggregate of the General Church Extension Loan Funds has reached the half-million mark laid down as the inspiring goal thirty years ago. The growing demand for these funds, however, calls now and calls loudly for \$1,000,000. As pastors we can do our people and the cause of Christ no greater service than to urge upon their attention these loan funds. A Memorial Loan Fund for some departed loved one, or an Annuity Loan Fund for one who needs the income from his money while he lives, would doubtless strike many a pious mind as the very sort of investment desired, if only his attention were called to it.

The Birthday Jars in the interest of the Sunday School Loan Fund are not used as they should be—only twenty being used in the whole Conference. The money they yield (while this is quite considerable in the total) is of small value compared to the educational service they render in keeping the cause of Church Extension before the Sunday School.

Beside the regrants of \$800 to West Liberty Church and \$200 to the Ferguson Church, your Board has made appropriations at this session as follows:

| | |
|----------------------------------|------------|
| Jenkins, Letcher County | \$1,000 00 |
| Greenwood, McCreary County | 45 00 |
| Oak Grove, on Clay Mission | 100 00 |

Appropriations for parsonages were made as follows:

| | |
|--------------------------------------|----------|
| Hutchison, Bourbon County | \$150 00 |
| Rockhold, Meadow Creek Circuit | 150 00 |
| Whitesburg, Letcher County | 90 00 |

Our assessment for the ensuing year apportioned to the districts is as follows:

| | |
|----------------------------|----------|
| Covington District | \$846 00 |
| Danville District | 747 00 |
| Frankfort District | 778 00 |
| Jackson District | 97 00 |
| Lexington District | 760 00 |
| Maysville District | 850 00 |
| Shelbyville District | 790 00 |

Total \$4,868 00

BOARD OF EDUCATION OF THE KENTUCKY WESLEYAN COLLEGE.

We are glad to report some increase in the attendance and income of the College the past school year. The opening for the present school year is encouraging. It is important, however, that the ministers and laity of the Conference should see clearly that continued improvement can only be realized by continued support.

We need to be continually on the outlook for every opportunity to increase the endowment. Endowment secures permanent and reliable income, while other sources of income are more or less uncertain. A college, in order to do its work and compete with other church and state institutions, must have a dependable and adequate income.

Aware of the fact that there had not been in many years a Conference-wide movement for the College, that touched all the congregations in our territory, the Board of Education at its meeting in June passed a resolution asking the Conference to set apart the fourth Sunday in April, to be known in all our Sunday Schools as College Day. At which time the history and needs of the College be brought before each school, and that the pastors be requested to preach on Education. The Committee to execute this plan to be the President of the College and the Presiding Elders.

God calls so many poor boys to preach the gospel, that there is a constant demand upon the fund for the aid of young ministers. The cash belonging to this fund is practically exhausted, and there is great need that some of our stronger churches follow the example of other denominations in sustaining some worthy student for the ministry.

We are glad to state that the President and Faculty are planning for a definite revival in the College this school year. This added to the Bible class work, and the zealous activity of the College Y. M. C. A., gives a splendid tone and influence to the school.

Bids are being received for the new Library. The ball rolls; let us keep it rolling.

We would call attention to the fact that Logan Female College is the property of the Louisville Conference, as the Kentucky Wesleyan

is of our Conference. We would encourage a closer relation and co-operation of Kentucky Methodists in educational work. We therefore set our door ajar to Dr. Repass in his work, and express our appreciation for the offer made of free scholarships.

JNO. R. DEERING, President.

J. P. STROTHER, Secretary.

CONFERENCE BOARD OF EDUCATION.

We call attention to the constantly increasing service rendered by our General Board of Education. At our last General Conference the resources placed under the management of this Board have been many times increased, thus it is not only able to give church-wide oversight to the cause of Christian Education, but they are also able to give limited financial help to many struggling church schools.

The great increase in the endowment and equipment of many Southern Methodist schools, colleges and universities, in other conferences is a fact to stir our hearts, and move us to emulation.

Vanderbilt University continues its large and influential work. We record here our deep and abiding conviction that it should remain the undisputed property of our great church, in connection with which it came into being and has made these years of its history.

The Correspondence School is to be commended in cordial terms, and all our young ministers are advised to avail themselves of its advantages.

The statistics of the Kentucky Wesleyan College are as follows:

| | |
|-----------------------------|--------------|
| Teachers | 7 |
| Students | 100 |
| Value of property | \$100,000 00 |
| Notes | 59,561 34 |
| Bank stocks | 6,200 00 |
| Cash | 1,433 59 |
| Total Endowment | \$67,194 93 |

We recommend that the sum of five thousand dollars (\$5,000) be assessed on the Conference for Conference Education.

JNO. R. DEERING, Chairman.

J. P. STROTHER, Secretary.

BOOKS AND PERIODICALS.

As your Committee on Books and Periodicals had no information from the Publishing House we are unable to report definitely as to the proceeds. But with a few facts gathered from Dr. Wilson and having the exhibit of the house before us we report progress.

We regret very much to note that the Epworth Era continues to

be a source of loss to the Publishing House; and we urge upon our Leagues to rally to its support.

We furthermore regret to note that the General Organ has also been a loss to the House the past year. It deserves a better support. It compares with other journals of its class and is an honor to our Methodism. Its subscription ought to be doubled.

The Methodist Quarterly Review maintains a high standard and yields a net income to the Publishing House. It is one of the best religious magazines published and should be on the center table of every Southern Methodist home, especially of every parsonage.

Our Sunday School literature continues to hold a real high standard of excellence, and is classed (especially the Adult Student and Magazine) among the best literature now published. It is the largest source of revenue to the house.

The House is now publishing quite a number of new books. The prices can be compared with any house on the western hemisphere and we earnestly hope for an increase of circulation among our people.

Under the able management of the efficient editors, the **Central Methodist-Advocate** has become one of the best, if not the best, of the Conference organs in our connection. It is strictly religious and evangelical. It is strong connectionally and loyal to the church, giving out no uncertain sound. Its editors show great care and wisdom in editorials, exchange selections and advertising matter. Every pastor ought to co-operate with the editors in the proposition of reducing the price by putting the paper in every Methodist home. It is no longer a theory, but a proven fact, where this has already been done, it has become a great blessing to the church. We recommend the proposition.

JAMES E. WRIGHT, Chairman.

B. F. COSBY, Secretary.

TEMPERANCE.

Your Committee on Temperance submits the following report:

We believe that the liquor traffic is a business about which there is not a single redeeming feature. It is evil and only evil and that continually. It strikes at the church, the home, the school and at every thing that is sacred and good in this great country of ours.

We therefore note with pleasure the progress that is being made toward the abolition of this great evil.

And whereas the Methodist Episcopal Church, South, has been aggressive and in the front rank of the battle line and has by her action and utterance condemned this great evil; therefore be it resolved:

1st. That we encourage every legitimate organization having for its end the destruction of the liquor traffic.

2nd. That we most heartily commend the Anti-saloon League for

its splendid work; and we pledge ourselves to a whole-hearted support of the League, and to co-operate with it in this noble work.

3rd. We especially desire to commend Dr. N. A. Palmer, State Superintendent of the Anti-saloon League, for his ceaseless, untiring and very efficient efforts in promoting the temperance work of our state; a work which has been the more effective because of the quiet and unobtrusive methods which he has adopted in bringing to pass such splendid results.

4th. We deplore the fact that in many of our counties and cities, where the saloon has been voted out by large majorities, that the same counties and cities have, at the next election of state, county and city officers elected whiskey men and men who have no regard for the enforcement of the law.

5th. That we therefore urge our people to vote for men who favor the abolition of the liquor curse, and for men who will enforce the law regardless of their political affiliations.

6th. That we pledge the city of Somerset and Pulaski County, our co-operation and prayers that at the coming election, they may be saved from the curse of the open saloon—one of their worst enemies.

7th. We recommend that M. S. Clark, W. E. Arnold, B. C. Horton, J. T. Morgan, and W. W. Ball, be appointed trustees of the Anti-saloon League in Kentucky.

8th. Recognizing the use of tobacco in any form as a needless self-indulgence, filthy in its nature and in most cases hurtful to mind, body, and soul, and therefore wholly indefensible, and believing that the use of a pipe or cigar by men, and especially preachers, will lend encouragement to boys to use the most deadly cigarette, we therefore urgently advise and respectfully request the preachers of our Kentucky Conference to wholly desist from the use of tobacco and in this respect make themselves safe examples for our young people and all other classes of people to follow.

M. S. CLARK, Chairman.

W. L. CLARK, Secretary.

SABBATH OBSERVANCE.

We, your Committee on Sabbath Observance, beg leave to submit the following report:

The Sabbath is a divine institution necessary to the good of man's body, mind, and spirit. We believe it to be essential to public worship and the perpetuity of the church of God.

We deplore the fact that this holy institution is being desecrated by men dominated by greed for gold, desire for pleasure, and a flagrant disregard for the divine command, "Remember the Sabbath day to keep it holy."

Resolved, That we most earnestly condemn all forms of Sabbath desecration among our people, such as Sunday excursions. the at-

tending upon places of amusement on the Sabbath and the doing of any works except those of mercy and necessity.

Resolved, That we cordially commend the courageous stand and persevering efforts of our new Post Master General Burleson, in seeking to reduce the work of the Post Office Department to a minimum on the Sabbath day.

Resolved, That we petition the next Legislature to give us better defined laws on the Sabbath, so as to enable us to compel enforcement of the same.

In view of the fact that the Sunday League of America has taken lead in this movement for a better observance of the Sabbath;

Resolved, That we heartily endorse their work, welcome their speakers to our state, and co-operate with them in the education of the consciences of people on the Sunday question.

Respectfully submitted,

L. ROBINSON, Chairman.

W. S. VANDERPOOL, Secretary.

ORPHANS' HOME.

We, your Committee on the Orphans' Home, make the following report.

It is with pleasure we note that the new laundry and heating plant is ready for use, which we believe will add very materially to our institution.

The report of the agent showed that a few beds had been endowed; that the donations for Thanksgiving and Christmas were up to the standard in both quality and quantity; that the Fifth Sunday offerings from the Sunday Schools have steadily increased each year since they were begun eleven years ago—the increase this year being \$247.92 over last year. The average contribution per school has also gradually increased each year.

From the report given by the President of the Home, we note that twelve children were received into the institution during the year; that fourteen have been placed in homes; that there are now forty children in the Home; that the health of the children on the whole has been very good; that their conduct, with few exceptions, has been all that could be expected; that the reports of those attending school were very satisfactory; that the statement of assets and liabilities, to date of September 1, 1913, shows: Assets, \$94,671.52; liabilities, nothing.

We believe the interests of our Orphans' Home are of sufficient importance to give it a place on the list of emergencies as per resolution of this body with regard to collections.

We endorse the action of the Board in the re-election of E. S.

Boswell as agent, and Miss Laura Y. Nadal as matron for the ensuing year.

Respectfully submitted,

C. P. PILOW, Chairman.

GEO. W. BOSWELL, Secretary.

DISTRICT CONFERENCE RECORDS.

Your Committee on District Conference Records submit the following report.

All the records were presented to the Committee for examination, and each one was found to be very carefully and neatly kept, for which we commend the Secretaries. We note the fact that the Maysville and Jackson records are kept in a common ledger whereas they should have the regular district record book.

Respectfully submitted,

F. D. PALMETER, Chairman.

E. L. GRIFFY, Secretary.

PARSONAGE FURNISHING.

Your Committee on Parsonage Furnishing regret to report that we have not sufficient data in hand to give details as to the present condition of our parsonages, so far as the amount of new furniture placed in them during the year is concerned.

We would emphasize the importance of having our parsonages furnished with all the heavy furniture. This is necessary, considering the heavy cost, labor and delay of moving and the injury to our furniture from the same.

We would we were able to arouse the churches on this question and not lag behind most of our conferences in making ample provision for our preachers.

We note that some of our charges are yet without parsonages and would exhort that every charge take steps toward securing a home for its pastor. Encouraging reports come to us of new parsonages erected, or now in course of construction, as at Danville and elsewhere.

It is with pleasure that we record the fact that the Danville District has secured a district parsonage, but we feel that it is a reflection on our Kentucky Conference that we have only two district parsonages in the seven districts. Such a record should put us to shame. We trust the other districts will soon follow the example of the Danville District in this matter.

We would respectfully recommend that the Parsonage Furnishing Committee be elected each year on the nomination of the Presiding Elders, as in the case of the other annual committees.

This committee to be composed of one preacher and one layman from each district.

Signed. J. R. SAVAGE, Chairman.
RAWLINS D. BEST, Secretary.

LAYMAN'S MISSIONARY MOVEMENT.

The Committee on Layman's Missionary Movement, beg to report as follows:

We feel the need of more interest and greater activity among the laymen of our Conference, yet we feel encouraged by the reports from the various districts.

We believe there is an increase over past years in attendance of laymen at this Conference, although there are only two of our seven District Leaders in attendance. We do urge and beg that all the District Leaders attend our Annual Conferences.

From the reports made by laymen at our several meetings during this Conference and from the reports made by the preachers, we feel encouraged much, and we are glad that we have a share in accomplishing the great work that is being done in the bounds of our Conference both spiritually and financially.

We beg of our preachers that they give help and encouragement to the District Leader in his work of love, and that they also see that church leaders are appointed from every church and are started off right in the work.

At a meeting of our Laymen, Bro. W. W. Ball was recommended as Conference Leader and Bro. R. M. Smith as Vice Leader. We beg that they be elected as such by your body.

We report that the following have been elected as District Leaders by the various District Conferences: Rawlings D. Best, Covington District, postoffice, Covington, Ky.; H. A. Power, Frankfort District, Paris, Ky.; Walter Worthington, Maysville District, Minerva, Ky.; H. C. Campbell, Lexington District, Nicholasville, Ky.; W. S. Hayes, Shelbyville District, LaGrange, Ky.; H. H. Smith, Jackson District, Hindman, Ky.; P. H. Taylor, Danville District, Danville, Ky.

Respectfully submitted,

H. A. POWER,
B. J. DURHAM.

MEMORIALS.

The Committee on Resolutions and Memorials recommended and the Conference adopted the following memorials:

On Change of Boundaries.

The Kentucky Annual Conference of the M. E. Church, South, in annual session assembled at Somerset, Ky., September 22, 1913, re-

spectfully memorializes the General Conference to so change Paragraph 608, page 327 of the Discipline of 1910, as to read as follows:

"The Kentucky Conference shall embrace all that portion of the State of Kentucky lying north and east of the following line: Beginning at the mouth of Harrods Creek, on the Ohio River; thence running south on the northern line of the Middletown and Jeffersontown circuits, to the Bardstown turnpike road; thence with said turnpike to Bardstown; thence with the direct road to Springfield; thence to the towns of Haysville and Liberty; thence due south to the Cumberland River; thence up said river to the fork; thence up the South Fork to the Tennessee State line; including Liberty, and the strip lying between Wolfe River and the Kentucky line."

On Change of Paragraph 73.

"Resolved, That we, the lay delegates present at the Kentucky Annual Conference of the M. E. Church, South, held at Somerset, Ky., September, 1913, joined herein by other laymen assembled with us, do petition and memorialize the General Conference to amend Section 73 of our Discipline by striking therefrom the words as follows: 'Provided, that no member of the Annual Conference shall vote in said election,' and substituting therefor words as follows: 'Provided, that only the lay delegates elected to and present at the District Conference shall vote in said election.' So that said paragraph as amended shall read:

"Section 73. Ans. 6. The District Conference shall elect annually, by ballot, from the district, four delegates to the ensuing Annual Conference; provided, that only the lay delegates elected to and present at the District Conference shall vote in said election."

The Committee on Resolutions and Memorials had before them the following papers: 1st. A paper asking that the Kentucky Conference memorialize the General Conference to grant the rights of the laity to women; 2nd, a paper asking that the General Conference restore to the Discipline the opening paragraph in the Ritual for the baptism of infants as it stood prior to the revision of 1910. The committee recommended that the requests made in these papers be not granted, and the Conference approved their recommendations.

PREACHERS' AID SOCIETY.

The Board of Managers of the Preachers Aid Society respectfully present the following recommendation. It is the purpose of the Board to raise the Endowment Fund of the Preachers' Aid Society to the sum of \$100,000 as soon as possible.

Since the Board has been charged with the work of securing the donations of Homes for Superannuates and it seems necessary to have an agent in the field to secure the best results, we have therefore

obtained the consent of Rev. A. P. Jones to become our agent, and recommend that he be recognized by the Conference as the agent of the Preachers' Aid Society and that the pastors of the Conference be requested to aid him in every way possible.

T. W. WATTS, President.

Memoirs

MRS. C. J. NUGENT.

Addie May Alexander was born near Charlotte, N. C., February 6th, 1852, and departed this life December 2nd, 1912, at New Castle, Ky. She inherited a good family history. One of her Alexander ancestors was a member of the Council of Mecklenburg. While she was still a child, her father moved to Memphis, Tenn., where he remained until after the Civil War, when he moved to the vicinity of Van Buren, Ark. On February 5th, 1874, at Memphis, Tenn., she was united in marriage to Rev. C. J. Nugent, who for many years has been an active and useful member of the Kentucky Conference.

In girlhood she was converted under the preaching of Bishop E. M. Marvin, and united with the Presbyterian Church. After marriage she joined the Methodist Church, continuing in its communion and sharing with her husband the diversified experiences of the Methodist itinerancy to the end.

Two sons were born to Brother and Sister Nugent. One died in infancy; the other is Mr. C. J. Nugent, Jr., of Louisville, a useful business man, and well known as one of our very efficient Sunday School workers.

It has been said of some people that they scarcely ever saw a well day. This was largely true of Sister Nugent. For many years she was a victim of severe physical suffering. While this greatly hindered her activities, it did not destroy her interest and usefulness in the home or the church. Refined and intelligent, her sociability and hospitality were equal to the measure of her strength.

Perhaps the most noteworthy feature of her church service relates to her work in the Woman's Foreign Missionary Society. She was Recording Secretary of the Conference Society for the unusually long term period of fourteen years. She was familiar with the missionary enterprises of the church and especially with the work of the Woman's Board. Of her work as secretary it has been said, "No one ever did it better." After retiring from this office, her interest in missions did not cease, for she continued actively in the work, giving information and inspiration to the local societies wherever her lot was cast. This argues much in her favor and justifies the conclusion that her long sustained interest in missions did not proceed from an ambition to excel in office, but the higher motive to obey the command of Christ.

The end came with shocking suddenness. Seized by a severe headache she soon became unconscious, lingered about two days and then fell asleep, without a parting message or final goodbye to those she loved. Keenly as we feel the disappointment of not having a last word from loved ones when the end comes, eager as we are to whisper some word of love and to soothe and comfort them, still there is relief in feeling sure that they passed over without conscious struggle or acute pain. After all, a life of devoted service to Christ is the best testimony one can give.

She loved her husband and son devotedly and it was mutual, they having established a record of tender devotion to her. It is refreshing to feel that they know the ground of their consolation, and that their principles are so firmly fixed and their goings so well established, that they will never turn back but press on until they reach the goal of their hopes.

On that cold December morning at the early hour of nine o'clock, a large company assembled at our church in New Castle to mingle their tears with those of their pastor and to pay a last tribute of love and respect to his departed wife. Revs. C. L. Bohon, P. E., W. R. Johnson, C. P. Pilow and the writer participated in the service, after which her body was laid to rest in the cemetery at LaGrange, Ky., Rev. W. S. Maxwell performing the burial service.

D. W. ROBERTSON.

MRS. W. H. WINTER.

Mrs. Mariah Isabel, daughter of John and Mary Thompson, was born in New Rumly, Harrison County, Ohio, February 27, 1831, and died February 4, 1913, in the home of Mrs. Fannie Fox, of Milton, Ky., where she had been taken from the high water. She was twice married; first to Mr. W. S. Atherton of Shelbyville, Ky. Her second marriage was to Rev. W. H. Winter, of the Kentucky Conference, in 1874; and was again left a widow in 1901. She united with the Methodist Episcopal Church, South, when quite young, but was not converted until about grown. When the change came it was too clear to be doubted, and she really knew she was born again.

After becoming the wife of a Methodist preacher, she was always ready and willing to go wherever her husband was sent. She was loved and honored by the church. The rule of her life was to earn her own living, pay her own way, and trouble no one. All her business transactions were exact and her integrity never discredited. She loved church work, and was seldom absent from services. She often remarked, "I have so much to do and so little time to do it in, I must hurry." Her zeal and ambition for labor would not allow her to give up, so daily she went about looking after her church and home duties.

A few years since, it was noticed that she had reached the evening of her life:

"Old age, serene and bright,
Lovely as a Lapland night,
Was leading her to the grave."

She had seen the morning with its youthful hopes and bright expectations; the noon, with its faithful endeavors and dutiful efforts, but now the evening had come. She, too, realized it. She talked of it, and regarded it as a time for calm repose and holy meditation. She planned her own funeral; selecting Psalm 17:15, "As for me, I shall be satisfied when I awake, with thy likeness."

As one of the ills incident to mankind was claiming her, no medical skill or friendly aid could arrest its course, and Sister Winter (as she was commonly called) was forced to yield her immortal spirit to the God that gave it. The aged who has "walked with God" is always ready for the Master's call, his loins girded about and his light burning. "He lies down with the kings of the earth," and that leveling process which is thus intimated and begun in death. He feels in the order of a higher plane of life to come, when all the abuses and incongruities of human government will be swept away, and the light of omniscient wisdom will shine on all alike. There she will meet the little one who strayed from the fold into the snows of death early in the married life, and there will she sit beside that fond old heart who heard his first piteous wail in this cold world, and nestled him to her bosom all warmed with a mother's love.

It is the one possible chance of happiness, and only death stands in the way. The love of God carries the soul gently over the river, where those who have gone before stand waiting in glad expectation. Shall we doubt either the goodness of God or the perfection of the power of His grace? Shall we hesitate to weave the silk of death around our bodies when we know that we may thence issue a being worthy of a celestial sphere of action? Venerable sister, thou hast borne the burdens of the world to the last mile post. Thy companions have fallen by the way side, and even some of them may have gone unbidden to their judge. But thou, having in view the dignity of the human soul and the will of God, hast labored while the light was given thee, and hast journeyed while thy strength remained. Thy destiny is now but opening to thy sight. Thou lookest through the inner doors and seest that infinite Cathedral which openeth beyond the vestibule of death.

Her funeral was conducted by the writer, assisted by the pastor, Rev. Josiah Godbey, after which the remains were shipped to Shelbyville, Ky., for burial, burial services being conducted by Rev. J. P. Strother.

JAMES E. WRIGHT.

MRS. T. F. TALIAFERRO.

In the closing days of December, 1912, there passed from earth to heaven a loving wife, a devoted mother, a faithful friend and a trusting Christian of whom I feel constrained to write a brief memoir.

On the afternoon of December the 29th, I was notified, over the long distance telephone, that Mrs. Mary Taliaferro, wife of Rev. T. F. Taliaferro, had died suddenly in her home at Frankfort, Ky., and that her grief stricken family desired my presence.

If memory serves me correctly, it was in the fall of 1875 that Rev. T. F. Taliaferro was sent to the pastorate of the Methodist Church in Perryville, Ky. It was a critical period in the life of this writer. Left an orphan from babyhood, growing up here and there without a fixed place of abode, without education or means to pay my way in school, I was struggling with the call to preach, with a strong current setting in against me, drifting me toward worldly hopes and ambitions. I was in the greatest need of another and a stronger hand upon the oars of my life-boat, when Bro. Taliaferro came with his young wife and a sweet little baby girl.

At once he discerned my call to the ministry and laid his hands upon me in the name of the Lord. He fought my battles against my opposers, encouraged me to face and surmount my difficulties, to rally after disappointment and failures and go hopefully again to the battle. The parsonage became my headquarters and I was always welcome there with a warmth of love with which parents would receive a son. I went there for counsel, encouragement and prayer and the preacher and his good wife never tired of my coming. There were tears in their eyes over my sorrows and they laughed my fears away. Kept me to a cheerful supper, followed me with encouraging words to the door and called to me from the front gate to be sure and come to church next Sabbath and come home with them to dinner.

I imagine my sainted mother who left me in babyhood has met with Mary Taliaferro in the city of the skies and thanked her for her cheerful helpfulness to her orphan boy.

Sister Taliaferro was a woman of fine education. She had large and attractive natural gifts and personal magnetism. She overflowed with good humor and laughter. Her home was a place of cheerfulness and songs and sunshine. She was the embodiment of refinement and neatness and good taste and adaptation to the various situations a Methodist minister's wife is called to face. She had a restful faith in the word of God and his crucified and risen Son. She was zealous in the cause of missions. She loved Methodism. She delighted to attend the annual conferences and mingle with the warriors from the front. It was easy for her to laugh with those who rejoiced and to drop a tear with those who were discouraged, downhearted. Her two remarkably interesting daughters were her devoted companions and heart's delight. Her grandchildren were doubly dear to her. She and her husband lived together like a boy

and girl in love, and although not robust in health, we could not think of her as one who was going away so soon. Her sickness was of short duration. Death came suddenly and she laid down in sweet repose and awoke beyond the stars.

Mary Summers Taliaferro was born at Carlisle, Nicholas County, Ky., January 26th, 1848. She was the daughter of Geo. W. and Maria Campbell Summers. In her early girlhood her father moved to Newport, Ky., in order to provide educational advantages for his children. Mary was educated in the Newport public school and subsequently taught in Carlisle and Newport schools. She was converted and joined the Methodist Episcopal Church, South, at Mount Pleasant, now Fort Thomas, Ky. Her conversion was clear and satisfactory. On the 30th day of October, 1872, she was united in marriage to Rev. T. F. Taliaferro of the Kentucky Conference, by Dr. T. N. Ralston, and at once consecrated her life to the work of the Christian ministry. She exchanged the cross for the crown, December 28th, 1912.

The larger part of her family was on the other side to greet her. Out of a family of seven, only two sisters remain; Mrs. D. W. Robertson of the Kentucky Conference and Mrs. Mattie E. Pennington, of Los Angeles, Cal. A large group of the ministers of the Kentucky Conference hastened at once to Frankfort on receipt of the news of her death, to express to the bereaved family their tender sympathy and to pay their last respects to the remains of the beloved sister.

Dr. Horace Turner, her pastor; Dr. Edward Mann, editor of the Central Methodist-Advocate and this writer spoke loving words of appreciation and condolence to the large audience gathered at the funeral services at the Methodist Church in Frankfort, Ky.

She is not dead. The house of clay has fallen, but the immortal spirit lives to rise and meet the Christ and the loved ones gone before and to receive with glad greeting those who shall follow on. May God's sustaining grace comfort and keep her loved ones until we shall meet in that land of infinite blessedness and bliss where separations never come.

MAIN BUILDING AND NEW HALL

LOGAN COLLEGE

RUSSELLVILLE, KENTUCKY.

Owned and controlled by the Louisville Conference.

A limited and select school of high grade for girls and young women.

Improvements. Lander Hall was dedicated last February. It is one hundred feet long, three stories high and contains a beautiful, modern auditorium, class rooms, gymnasium, literary society halls, music rooms, and an art studio with sky lights. The east wing has been extended and a third story added, giving a new kitchen and store rooms, enlarging the dining hall, and furnishing dormitories for thirty more pupils. With these additions and various other improvements Logan College is probably the most conveniently arranged school property of its kind in the state. Many valuable additions to the furnishing and equipment of the school have been planned and will be made in the near future.

A septic tank for the sewerage of the college has been constructed under the supervision and guarantee of the State Board of Health and the buildings and premises are regularly inspected and approved by this Board.

Patronage. The growth of the boarding patronage is shown by the following enrollment of boarders by session:

| | |
|---|----|
| 1909-10 | 38 |
| 1910-11 (Beginning of present administration) | 54 |
| 1911-12 | 65 |
| 1912-13 | 72 |
| 1913-14 (First two weeks only) | 82 |

The total enrollment of boarders for 1913-14 will doubtless reach 90 or more, and it is evident that but for adverse financial conditions caused by the long and severe drought the enrollment of boarders would have reached and probably passed the 100 mark.

The local patronage has increased in about the same ratio. In the special departments of Music, Art and Expression the growth has been even more rapid.

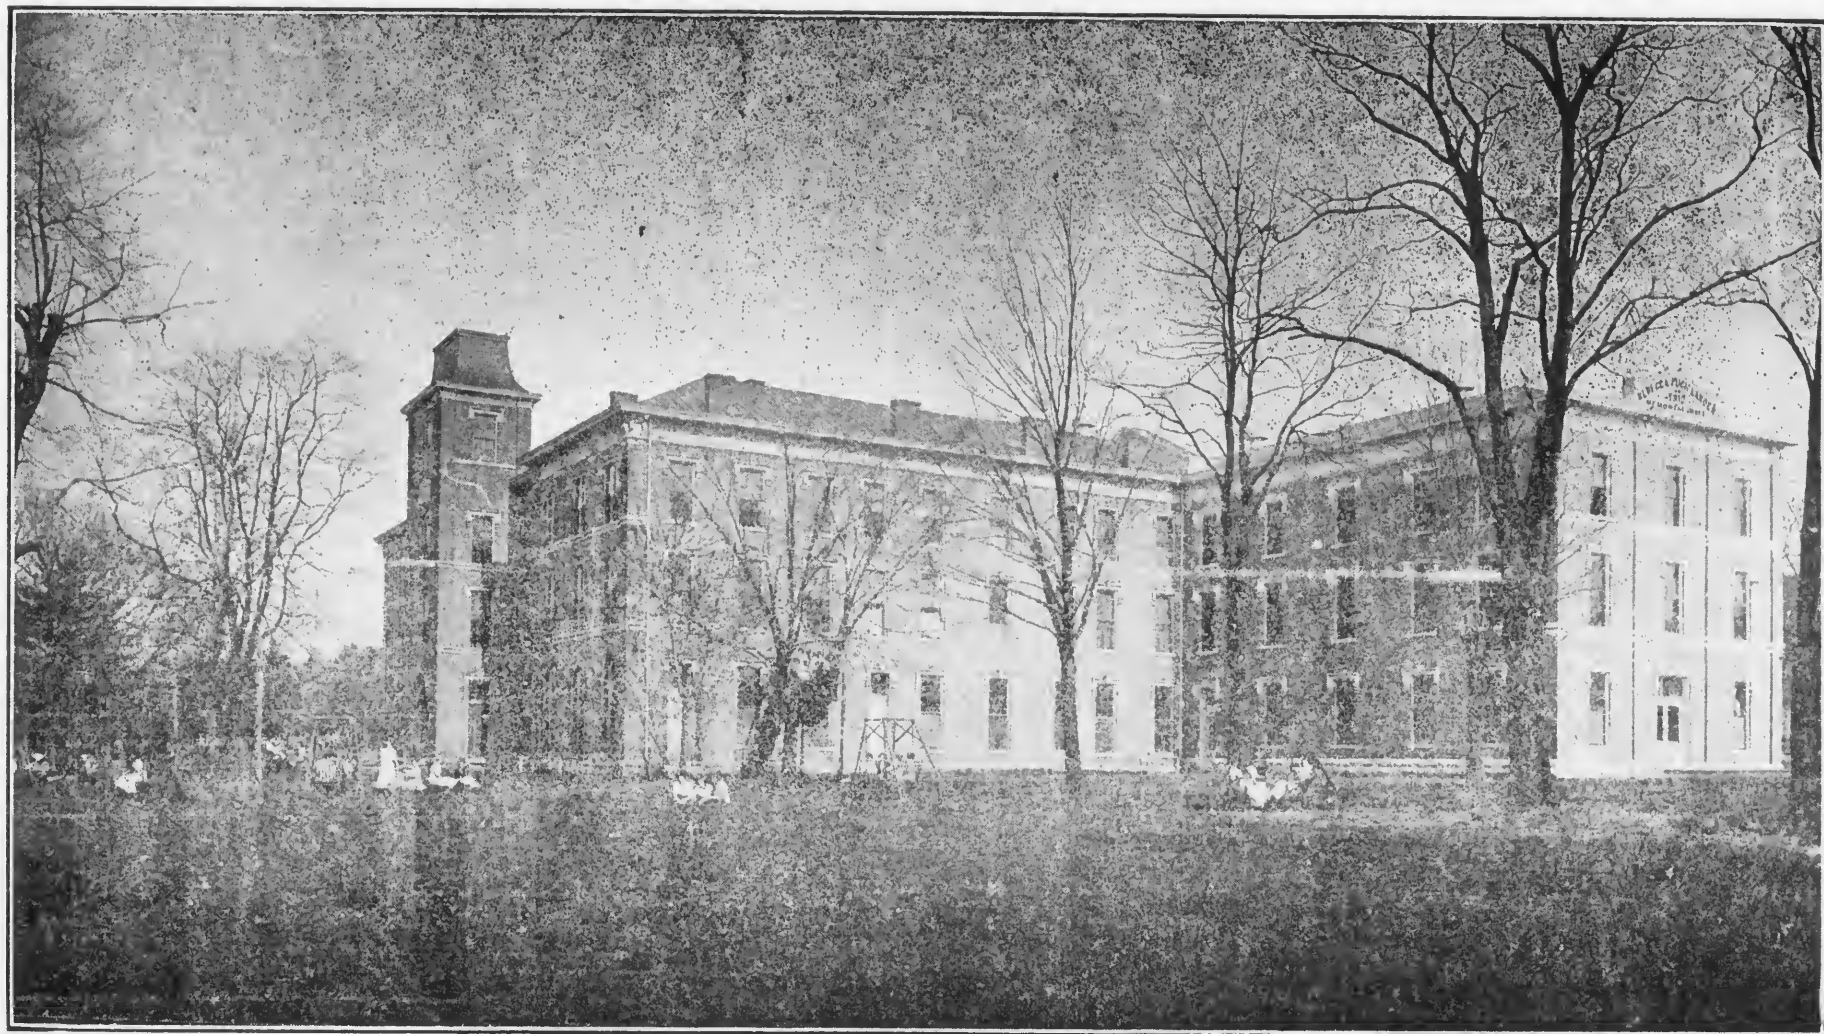

Endorsement by the Board of Education:

"We recognize with great satisfaction and appreciation the services rendered by Dr. J. W. Repass during the three years of his presidency in rehabilitating the College and putting it on an enlarged basis in several respects. It was he who initiated the movement that has culminated in the erection of a new and attractive Annex, which is this day accepted by the Executive Committee and dedicated to high and noble uses for the future.

"The course of study has been increased in extent and improved in quality. It is hardly an exaggeration to say that the college has had a re-birth and has started on a new career of usefulness."—*Report of Special Committee on Logan College to the Board of Education February 14, 1913.*

Scholarships. The President and Board of Education offer four scholarships to daughters of members of the Kentucky Conference. Write for particulars about these scholarships to
